

# Community Baby Shower

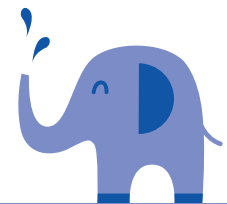

Hosted by United Way of Marathon County

April showers bring May flowers... or in this case April showers bring happy mommies to be!

Many families struggle to get from paycheck to paycheck and seek help from local programs including area food pantries, shelters and Rebecca's Closet. April is a great month to help by donating most needed baby items. Donate new or gently used items to United Way of Marathon County; 705 S. 24th Ave, Suite 400B, Wausau, during normal business hours, [now through May 5](#).

## Thank you!!
