

VOLUNTEERS NEEDED!

Help us fight Senior Hunger in our community.

DID YOU KNOW?

More than 10 million older adults in the United States face the threat of hunger every day. In Marathon County, 20% of food pantry clients are seniors. Some seniors make hard choices between buying groceries or paying for medications. The choices are difficult and there is no good outcome.

THE NEED.

In April, United Way RSVP is tackling the issue of Senior Hunger in our community. We will raise awareness of senior hunger AND recruit 30 volunteer drivers in 30 days to get food to our homebound elderly in need.

HOW YOU CAN HELP.

PLEASE help spread the word of the need for 30 volunteers in 30 days in April! To learn how you can help, call Tony, United Way RSVP Director at 715-298-5721.
